

**2009 Diocesan Convention
Resolution F**

Originator: Constitution and Canons Committee

Parish/Mission:

Subject: Change the time frame to receive nominations to 30 days before convention

Resolved that:

Title III Canon 4 (Of Nominations), Section B be changed to read:

The Nominations Committee of Convention shall give notice of the need for such nominations and shall set a final date for receiving of the same which shall be not less than thirty days prior to Convention.

Rationale:

The current time frame is not less than 60 days prior to convention. This usually comes around Labor Day. No one is really thinking about Convention and its various deadlines during the summer. Therefore we often have few nominations. There is still sufficient time to meet the publication requirement of Canon III, 4, D. The committee would still be free to set an earlier date if they choose.

Article and section of Constitution and Canons affected: Canon III, 4, B

Budget line item(s) affected: None
